announces a written open tender for

Design, fabrication and installation of Auto Clave machine
in the Bridgestone tire factory in Stargard - stage 1B according to the Alternative
Design acc. to PR11545204

All contractors who wish to participate in the tender proceedings must contact the above specified person in order to supplement the information and to receive detailed guidance on the manner and conditions for tendering procedure, since the initial notice is for initial information.

1. Subject matter of the contract

The subject matter of the contract is “Design, fabrication and installation of Auto Clave machine in the Bridgestone tire factory in Stargard - stage 1B according to the Alternative Design acc. to PR11545204”

Auto Clave machine will be use in laboratory for quality test and checking of final rubber products.

The contractor should provide:

- a qualified team (as specified)
- materials and tools necessary to conduct works (as specified).
- have the necessary experience and qualifications.

Employer provides complete technical documentation necessary for the execution of the contract. The detailed specification together with the complete tender material will be made available to interested companies after they sign declarations of confidentiality

2. Deadline for completion of the contract

The contractor shall execute the contract on the following dates (as specified):

The proposed completion date of installation: 31.08.2013

3. Selection of bids

The Employer shall select the best bid from among the not rejected bids based on the evaluation criteria.

The most favorable balance of the following criteria shall be taken for selection of the bid:

- Compliance with specifications
- Experience in performing the works constituting the subject matter of the contract (as specified)
- Service deadline
- Price

When the tender was closed without selecting any of the bids, in particular when the conditions of the proposed works differ significantly from expectations of the Employer, the Employer may not select any of the offers. The Employer will then enter into negotiations with bidders who had the most favorable balance of the above criteria.

4. Schedule of tender

The deadline for submission of the declaration of confidentiality till 15.02.2013

Deadline for submission of bids till 28.02.2013

Opening of envelopes with bids till 01.03.2013

Negotiations with selected bidders till 08.03.2013

Conclusion of agreement with the Contractor till 11.03.2013
