

REACH restrictions & Machinery directives

French version :

Toute marchandise vendue à Bridgestone doit être exempte de toute fibre d'amiante, ou de toute autre substance sous restriction REACH 1907/2006/EC annexe XVII et amendements.

Le vendeur garantit que les marchandises sont conformes avec toute autre exigence applicable dans le pays de destination des marchandises.

Les machines, équipements et composants doivent également être conformes aux dispositions de la directive machine 2006/42/EC et/ou toute autre directive et amendement applicable.

English version :

Every good sale to Bridgestone shall not contain asbestos fibre in any form, nor any other substance restricted under REACH Regulation 1907/2006/EC Annex XVII and successive amendments.

The Seller warrants that the goods comply with any other relevant legal requirements applicable in the country where the goods are delivered to.

Machinery, Equipment, Components must also be compliant with the provision of the EU Machinery Directive 2006/42/EC and/or any other applicable Directives and their successive amendments.
