**NEW** VX-TRACTOR

Premium technology  
High durability

# NEW VX-TRACTOR

You prefer to work with premium technology tyres at regular inflation pressures, but still want premium, long-lasting performance? The Bridgestone range of premium VX-TRACTOR tyres are built to work hard both in the field and on the road, even under heavy payloads. Constructed from robust casings with extra-deep and extra-long lugs, ensuring outstanding traction and extremely long wear life. So you can go further and get more done, time and time again.

## PRODUCT TECHNOLOGIES

### Long wear life, thanks to

- Longer lugs
- Deeper lugs

### Strong casing for

- Long life
- High load index
- Super traction
